EDUCATION

Bachelor of Computer Science

[Universitas Indonesia](#)

Jul 2023 – Jul 2027 (expected)

- Currently in 6th semester.
- Areas of Interest: Front-End Web Development, Mobile App Development, Data Science, Artificial Intelligence.

EXPERIENCE

Mobile Developer Intern

[Herlens](#)

Jul 2025 – Oct 2025

- Spearheaded the UI development of 5 key mobile application modules, including a critical cervical cancer screening diagnostic tool, ensuring an intuitive user journey. Developed with Flutter.
- Executed comprehensive quality control and revamped legacy modules, resolving existing bugs and significantly improving application stability by 50%.
- Enhanced application accessibility by implementing multi-language localization and successfully integrated frontend interfaces with backend APIs to ensure real-time data synchronization.

Ristek Tutor Class Instructor

[Ristek Tutor](#)

Mar 2025 – Now

- Best tutor 2025 with highest student request rate and the most cumulative tutoring hours.
- Tutored 10+ core Computer Science subjects (Math & Programming) across 4 terms, to over 20+ students.
- Delivered comprehensive tutorial sessions and curated supplementary learning materials.

ORGANIZATION, COMMITTEE & COMMUNITY

Manager of Creative Division

[COMPFEST](#)

Jan 2025 – Dec 2025

- Provided guidance and direction to 3 divisions under Creative (Documentation, Visual Design, and Decoration), producing 250+ visual and documentation outputs for COMPFEST 17.
- Directed comprehensive creative operations and asset management, successfully delivering high-quality outputs to support a large-scale national tech event that engaged 3,000+ participants and multiple corporate partners.
- Designed and standardized COMPFEST 17 visual identity, enforcing brand consistency across all digital platforms (website, social media), marketing collaterals, and physical event decorations.

Media Division Staff

[BEM Fasilkom UI](#)

Jun 2024 – Jun 2025

- Produced 30+ high-quality visual assets and social media content, effectively executing creative briefs from various departments for both promotional and internal purposes.
- Maintained the progressive visual identity and brand consistency of BEM Fasilkom UI across all communication channels and event documentation.

Executive Lead

[SIX IT SMAN 6 BEKASI](#)

Sep 2021 - Sep 2022

- Served as the main person-in-charge for 12+ programs, including workshops, routine activities, and events.
- Designed and managed club events, workshops, and training programs.
- Acted as a liaison between SIX IT, teachers, and external organizations
